Fire Chief's Report for October 2023

We ran 9 calls for the month of September: 1 ALS, 4 BLS, 1 MVC, 1 cancelled call, 1 public assist, and 1 smoke investigation. We also did an EMS standby for 3 volleyball games.

I attended the school board meeting.

Pert near all of the fire prevention supplies have arrived. We are working with the school to determine dates for fire prevention activities.

We are waiting on Waterous to cast the discharge volute for the brush pump. They gave an 8 to 12 week delivery time.

The EMR graduation will be Saturday November 4th at 1500 hours.

Pati and I are working on getting the information for the financial review.

I'm continuing to work on the policy manual.

It is my recommendation that we put all of the monies received for interstate billing into the reserve account. This will allow us to build that account.

Respectfully,

Chief Novak
